If receiving via email, this official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

**The Blue Ribbon Symbol:** The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

**Invalid:** If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

**Author Unknown:** Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

Office of the University Registrar

Washington University in St. Louis is accredited by the Higher Learning Commission [www.hlcommission.org](http://www.hlcommission.org), and its schools by various professional accrediting bodies. The CEEB code is 6929.

### Transcript Nomenclature

Transcripts issued by Washington University are a complete and comprehensive record of all classes taken unless otherwise indicated. Each page lists the student's name and Washington University student identification number. Transcript entries end with a line across the last page indicating no further entries.

Degrees conferred by Washington University and current programs of study appear on the first page of the transcript. The Degrees Awarded section lists the date of award, the specific degree(s) awarded and the major field(s) of study.

Courses in which the student enrolled while at Washington University are listed in chronological order by semester, each on a separate line beginning with the course title followed by the academic department abbreviation, course number, credit hours, and grade.

Honors, awards, administrative actions, and transfer credit are listed at the end of the document under "Distinctions, Prizes and Awards" and "Remarks".

### Course Numbering System

In general course numbers indicate the following academic levels: courses 100-199 = first-year; 200-299 = sophomore; 300-399 = junior; 400-500 = senior and graduate level; 501 and above primarily graduate level. The language of instruction is English unless the course curriculum is foreign language acquisition.

### Unit of Credit/Calendar

Most schools at Washington University follow a fifteen-week semester calendar in which one hour of instruction per week equals one unit of credit. Several graduate programs in the School of Medicine and several master's programs in the School of Law follow a year-long academic calendar. The Doctor of Medicine program uses clock hours instead of credit hours.

### Academic and Disciplinary Notations

Students are understood to be in good academic standing unless stated otherwise. Suspension or expulsion, i.e. the temporary or permanent removal from student status, may result from poor academic performance or a finding of misconduct.

### Grading Systems

Most schools within Washington University employ the grading and point values in the Standard column below. Other grading rubrics currently in use are listed separately. See [www.registrar.wustl.edu](http://www.registrar.wustl.edu) for earlier grading scales, notably for the School of Law, Engineering prior to 2010, Social Work prior to 2009 and MBA programs prior to 1998. Some programs do not display GPA information on the transcript. Cumulative GPA and units may not fully describe the status of students enrolled in dual degree programs, particularly those from schools using different grading scales. Consult the specific school or program for additional information.
